

Michigan Red Sox

Baseball Organization

A PUBLIC CHARITABLE ORGANIZATION EIN 35-2240514

The Michigan Red Sox Baseball Organization is dedicated to the total development of the individual and their physical, mental, and emotional approach to baseball and life. Individuals join the Michigan Red Sox to get prepared to participate at different levels of baseball – travel league, high school, and college from age ten through nineteen. The Michigan Red Sox are professionally instructed in all aspects of development and fundamentals are put to test in practices, games, and tournaments throughout the country.

The Michigan Red Sox organization begins indoor athletic training of players in January and completes its development program in late October. Participants come from Genesee, Oakland, and Washtenaw Counties to improve their skills and participate in over twenty tournaments in the Midwest. With this ambitious program come costs (uniforms, equipment, league fees, tournaments, umpires, etc...) for which we are seeking your help. For a company's voluntary contribution, we will be recognizing their name on the team's banner that will be proudly displayed at every Red Sox game and tournament.

The Michigan Red Sox Baseball Training Organization is a 501 C (3) organization #35-2240514. Contributions should be payable to the Michigan Red Sox at the address listed below.

Thank you for your consideration and support of the Michigan Red Sox.

Sincerely,

Mark Sackett
President – Michigan Red Sox
